

Chausson Flash 03 (6 berth) 6.42m 2.2JTD 140BHP

An ideal and very practical motorhome being a perfect choice for the larger family or for those seeking that extra space. With a large overhead cab bed and bunks at the rear it makes for a very tidy and spacious vehicle with the added bonus that the rear bunk lifts to create a large garage space.

The vehicle comes with all the usual refinements and separate large shower room and sleeping and seating for 6 people.

The cab is the award winning Ford transit and comes with air conditioning and cruise control.
